## Permanent or Temporary Building Solutions

# IMS Executive Series Office Building

## Multi-office Section View

The **Executive Series** product includes a series of three pre-designed floor plans that can be combined to meet your specialized needs. **Executive Series** buildings are available in sizes ranging from 2,160 to 7,200 square feet. Each building includes a front and a rear section, and as many center sections as required. The **Executive Series** floor plans include provisions for private offices, conference rooms, one or two-fixture restrooms and large open areas, designed for the installation of modular furniture. The **Executive Series** offers additional flexibility by allowing for the addition of center sections as future needs change.

Optional interior walls can be added for specific space requirements.
