As you continue to provide quality care for children, you must react quickly and efficiently to meet space demands.

Do you need a new daycare facility or additional space at your present facility? Quickly? At a reasonable cost? Is quality important to you?

Innovative Modular Solutions (IMS) can be of service to you. IMS has successfully partnered with public, private and charter schools to provide one and two-story modular buildings ranging in size from 900 to 40,000 square feet. We offer several financing options including purchase, low interest lease/purchase and rental for all products.

IMS provides new and used modular classroom and office buildings built by the industry's highest quality manufacturers. IMS buildings are safe, attractive and will meet or exceed all state building codes. In addition, the use of energy-efficient heating and lighting systems assure minimized operational costs.

IMS has a standardized product that may meet your needs, or we will assist you in the design, plans, manufacture and construction of a customized modular building to meet your exact specifications. To ensure complete satisfaction, IMS will oversee every aspect of your project through completion.

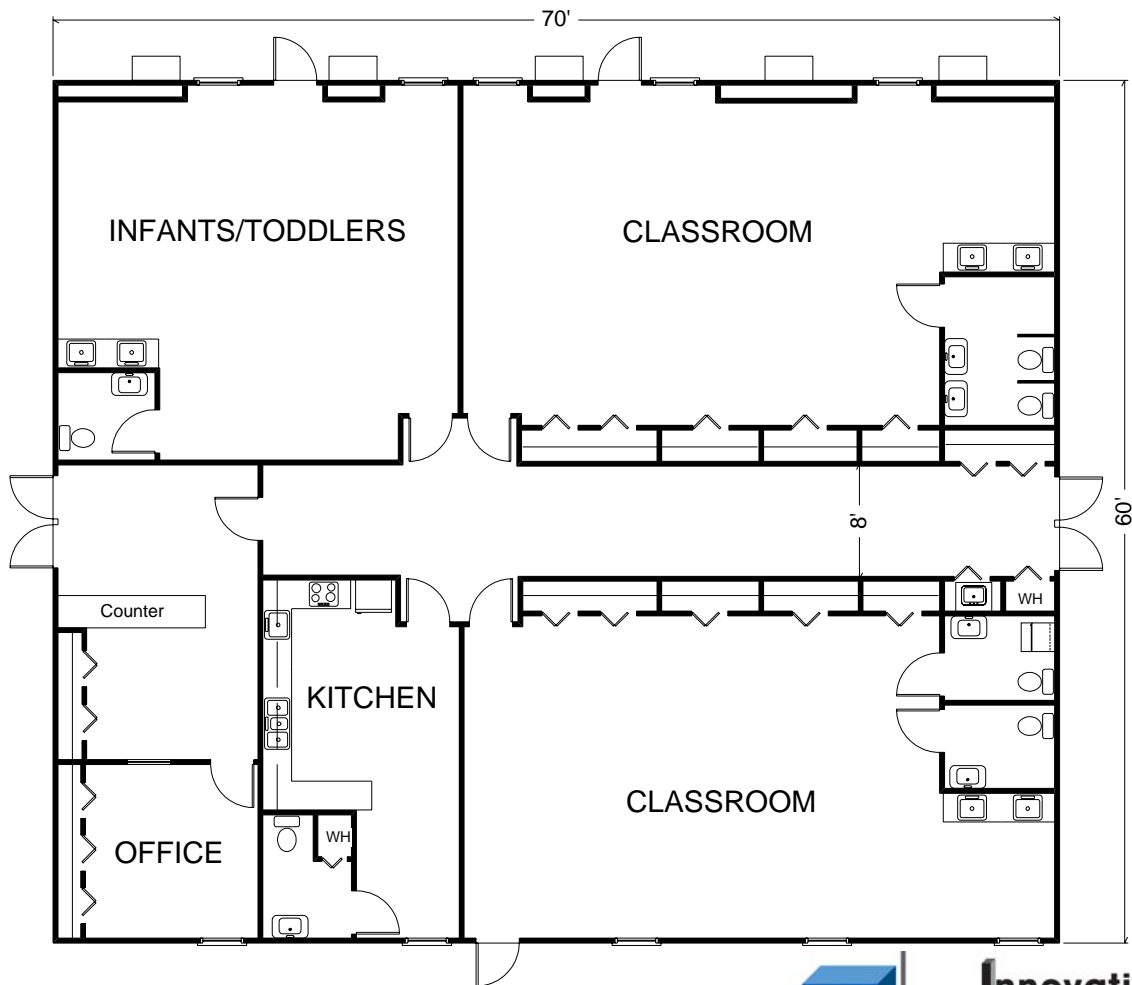

If you have immediate or anticipate future needs for permanent or temporary modular space, please contact us at 1-800-357-4699.

We would appreciate the opportunity to earn your business!
