

# SCHOLAR SERIES

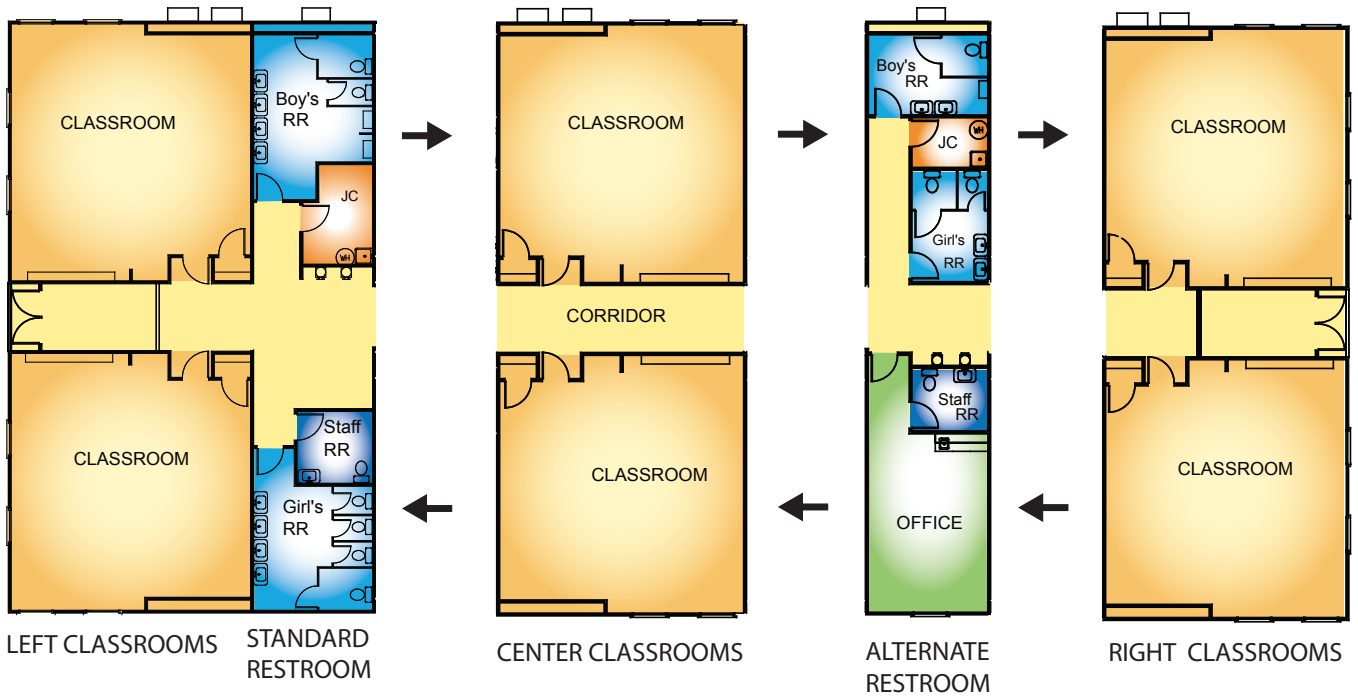

## Multi-Classroom Buildings

IMS will assist you with the floor plan, design, specification, manufacture and installation of a modular building that will meet your exact building requirements. IMS products are high quality, cost-effective, flexible, and available for quick delivery and installation.

Our goal is to provide customer-focused, professional service that will exceed your expectations.

## IMS Building Solutions for the Future

The standard Scholar Series multi-classroom building includes four to twelve classrooms with or without restrooms. The buildings can be easily modified to include additional classrooms, administrative offices, conference rooms, lunch rooms, storage rooms, and assembly space.
